## UEE10120 Certificate I in ElectroComms Skills (Pending Scope Application)

Vocational Education and Training

RTO Provider number: 0855

Qualifications and Statements of Attainment issued by Taminmin College are recognised by registered training organisations in all Australian states and territories. Taminmin College recognises qualifications and Statements of Attainment issued by registered training organisations in all Australian states and territories.

Date Modified: August 2023

**TAMINMIN COLLEGE**

*Inspiring Learning. Empowering Futures.*

**EDUCATION FOR *life.***

### Advantages

- Nationally recognised qualification
- Earn credits towards NTCET
- Develop work skills
- Build confidence and communication skills
- Exposure to potential employers

### Dress Requirements

Students are required to dress ready for work for all classes. The dress requirements for Electrocomms are:

- Steel capped boots
- Work shorts/trousers
- Hi Vis work shirt (supplied)

### Vocational Work Placement

An important component of VET in Schools training is the Vocational Work Placement (VWP). VWP is organised by Industry Engagement Officers (IEOs) who are the link between the school, host workplace and the Registered Training Organisation (RTO). VWP involves spending a work week each semester with a host employer gaining an insight to the requirements and expectations of a worker within this industry. Students do not receive payment for this experience.

### About this course

This qualification covers competencies to perform work activities, including identifying and using a range of components, accessories, materials, tools, equipment, technologies, and customs for carrying out work in the electrotechnology – communications industry. Sectors in the industry are electronics; electrical; communications, including telecommunications voice, data, video and information technology; computer systems; instrumentation; lifts; refrigeration and air conditioning; and renewable/sustainable energy.

This qualification runs over a six month period with an expected completion time of one semester on campus. Students are to attend the course one full day a week Thursday.

### Program content

This qualification consists of seven units of competency from the Electrotechnology Training Package.

ICTICT203	Operate application software packages
UEECD0007	Apply work health and safety regulations, codes and practices in the workplace
UEECD0009	Carry out routine work activities in an energy sector environment *
UEECD0021	Identify and select components, accessories and materials for energy sector work activities
UEERE0001	Apply environmentally and sustainable procedures in the energy sector
UEECD0042	Solve problems in ELV single path circuits
UEECO0002	Maintain Documents

In order to satisfy the Department of Education requirements for VWP, Taminmin College offers the following units of competency to all students undertaking Construction and Engineering and Electrocomms training:

- CPCCWHS1001 Prepare to work safely in the construction industry (also known as White Card)
- CPCCWHS2001 Apply WHS requirements, policies and procedures in the construction industry
- CPCCM2012 Work safely at heights

A statement of attainment will be issued on successful completion of these units of competency.

### Study and career pathways

On completion of this qualification, students may continue their studies with the Certificate II in Electrotechnology, seek an Australian Apprenticeship or apply for work as an entry level employee within the Electrotechnology industry.

### Assessment

Assessment methods include questions to assess the knowledge requirements for each unit of competency and observation of application of practical skills. These assessments will also be used to determine work readiness and the ability to follow workplace instructions and procedures.

### How will you learn?

Training and assessment takes place in a fully equipped Electrotechnology workshop at Taminmin College. The course is delivered one day a week on Thursday during normal school hours. All resources are supplied however, students will need to supply the following for all classes:

- Pen/pencil
- Notebook

### Previous studies and skills recognition

Taminmin College recognises qualifications and statements of attainment issued by other Registered Training Organisations (RTO). If you have completed training with another RTO, please talk to your trainer about receiving credit or recognition of prior learning for this course. Credit transfers will be automatic where previous studies have been completed at Taminmin College and the units of competency apply to this qualification.

### Support services

Students with special needs, including students with a disability, need to be supported appropriately. Reasonable adjustments will be made to accommodate their special needs. Support for students requiring language, literacy and numeracy skills will be provided.

### Student rights and responsibilities

Students have the right to learn and be treated with respect and dignity. Equally they have a responsibility to demonstrate respect for themselves, others and the training environment.

Student responsibilities include:

- Commit to and complete the VET program
- Comply with rules and expectations as detailed in the VET Student Information Handbook
- Comply with structured work placement requirements
- Comply with workplace health and safety (WHS) requirements
- Attend VET classes on time, dressed appropriately and ready to learn

### Eligibility/entry requirements

To gain entry into this qualification, students must be enrolled in a senior secondary government or registered non-government school at year 10 level or above. All students will undergo an interview prior to acceptance into the course.

### Fees

There is a fee of \$80.00 which includes all learner resources, assessments and covers the cost of a long sleeve shirt, consumables and equipment. The fee is non-refundable following the second week of the course. This qualification is funded by the Northern Territory Government as Taminmin College utilises government funds to support student employment outcomes.

### Exit Points

Students may withdraw from this qualification at any time by completing a Withdrawal form and receive a Statement of Attainment for any units of competency successfully completed.

Taminmin College will provide training and assessment in accordance with the requirements of the *Standards for Registered Training Organisations (RTOs) 2015* and ensure that the learner will have the opportunity to complete the qualification offered once a completed enrolment form is processed.
